This is the Armenian translation of an otherwise unknown late antique philosophical treatise. It is made in the Hellenizing style. The attribution to Zeno, i.e. the Stoic, is not genuine. A concordance exists, published in Erevan (H.A. Hovhannisyan, *Հայկական Համաբարբառ*, 11, 2
Ջենոնի Իմաստասիրի Յաղագս Բնութեան [Armenian Concordances, 11; 2
Zeno the Philosopher's 'De Natura'] Erevan: 1978) and an English translation and commentary are under preparation by M.E. Stone and J. Mansfeld.
